DIGITAL LEARNING

Use these apps in ClassLink to enhance your child's classroom learning outside the classroom instruction.

Responsibility. Ownership. Attitude. Respect. Safety.
These are the values that we instill in our students daily.

Safari Montage has preloaded with educational video titles tied to the curriculum from the industry's leading video publishers, which include Schlessinger Media, PBS, The History Channel, National Geographic, Scholastic, Disney Education, BBC and more.

i-Ready is an interactive online learning environment designed to assess students and provide individualized instruction based on each one's unique needs. Your child will be using materials from the Ready i-Ready Program this year in math.

iRead is a digital program designed to give children individualized experiences that will ensure they master the alphabet, phonemic awareness, phonics, and fluency, while building a vocabulary and comprehension. They will appreciate and master the power of words so that they can understand big ideas.

BrainPOP Jr. is a subscription-based educational video, game, and activity site for students in kindergarten through third grade. The main page is divided into math, reading and writing, science, social studies, health, and arts and technology.

MackinVIA™ is a program that makes it easy to access your school's digital resources. Access digital books to read or listen to.
